Education and Career Preparation Act? Is that what we're talking about? So all of this is to be done in connection with this one-time appropriation. We're going to have this ongoing advisory committee composed of these various people doing what after this one year? What will they be doing?

SENATOR STUHR: Is my mike on? They will be advising the State Board of Education which, in reality, is the State Board of Vocational Education. So they could still play an important role in directing some of their activities or ideas...

SENATOR CHAMBERS: Is that...

SENATOR STUHR: ...to the State Board of Education.

SENATOR CHAMBERS: Excuse me.

SENATOR STUHR: But I'd also like to go back to Section 7.

SENATOR CHAMBERS: But let us wait on...

SENATOR STUHR: Okay.

SENATOR CHAMBERS: ...your time, 'cause mine will run out.

SENATOR STUHR: All right.

SENATOR CHAMBERS: Are they...are...is anybody doing this kind of work with the...with vocation...with vocational education now, making advice and looking at how vocational...

SPEAKER KRISTENSEN: One minute.

SENATOR CHAMBERS: ...education is administered?

SENATOR STUHR: No. No, they are not, but you will see that this is also voluntary. There would be no funding allowed to this committee so...

SENATOR CHAMBERS: Well, if it were...

SENATOR STUHR: ...they would be doing this on their own time.
